

DAYTONA COLLEGE COMPLAINT PROCEDURE

The policy of Daytona College is that all student concerns should be addressed immediately. In that endeavor, this institution has an open-door policy. If a student has a concern, as a first step, that individual should consult with the instructor to resolve the issue as quickly as possible. If the concern is of a nature in which you would not feel comfortable talking with your instructor, please look to the appropriate college official. If within two days of the incident or situation and the matter is not resolved, the student should then present the matter (grievance) in writing, signed by the student, to the college Director. Within one day of receipt of this document, the Director or designated official will schedule a meeting with the student to resolve the issue. All complaints must be in writing and signed by the student.

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to: **Accrediting Commission of Career Schools & Colleges, 2101 Wilson Boulevard, Suite 302, Arlington, VA 22201. (703)247-4212 www.accsc.org**. A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting Mr. Justin Berkowitz, (Vice President of Operations / Campus Director) or online at www.accsc.org.

Daytona College provides prospective and current students with contact information for filing complaints with the appropriate agency in the state where the student resides.
